The Bennie Connector Program was created by members of the CSB Alumnae Board to foster an exchange of ideas, friendship and expertise between CSB alumnae – young and old.

This program facilitates a connection between alumnae who are experienced in life and in their profession with a mentee for career and life guidance and development.

*Alumnae of ALL ages are welcomed and encouraged to serve as a Mentor OR Mentee.

"Mentoring is a brain to pick, an ear to listen, and a push in the right direction."
- John Crosby

How It Works >>

Alumnae Mentors complete an online profile about their interests, professional experience and areas they would be comfortable and qualified to offer mentorship. Alumnae Mentees also complete a similar profile. Alumnae who want to be a mentor and mentee should complete both profiles. These profiles are used to create a connection between Bennies based on their needs and areas of interest.

Applications can be completed online between May 1st & July 15th. All matches will be announced by Sept 1st. The mentoring period runs from Sept 1st – May 31st.

**You don't have to live near other CSB alumnae to participate in this mentoring opportunity. Once matched, you can communicate through phone and email.
