2015 Firewood Bid Form

Bidder Name(s): ________________________________________________________________

Bidder Address: __________________________________________________________________

Contact information:  Day or mobile phone (___)____ - ______ Home (___)____ - ______

E-mail address_____________________________________________________________________

Buyers may bid on any or all piles. The wood will be awarded to the high bidder for each specific pile. The high bidder for each pile will be allowed to withdraw their bid for any piles of their choosing if they are the high bidder on more piles than they want. The wood would then go to the next highest bidder for that pile.

Please check the following boxes and sign below and submit with your bid.

If successful in bidding, I (we) the above listed bidders agree:

☐ To pay the full price of the pile on or before November 9, 2015 and not begin cutting until it is paid.
☐ That the volumes and species listed are estimated and that the wood is being sold as appraised with no adjustments if the actual volumes and species are different.
☐ To not cut, split, or haul wood, as notified, on those limited days/times where it would interfere with campus activities.
☐ To contact Saint John’s Life Safety at least an hour before arriving each day to have gates unlocked and/or to notify them of our presence.
☐ To not expect roads to the wood piles to be plowed by Saint John’s if snow falls.
☐ To remove all wood from Saint John’s by December 15, 2015 and agree that wood left after that date becomes the property of Saint John’s Abbey.
☐ That after purchase, Saint John’s is not responsible for the wood or its security.
☐ That Saint John’s is not responsible for any liability related to any aspect of this purchase including but not limited to cutting, splitting, and hauling done by bidder or any persons associated with bidder.
☐ That the bidder(s) alone are responsible for this wood until it leaves Saint John’s property and that the bidder(s) will not sell, transfer, or assign rights to this wood until it leaves Saint John’s property.

Signed____________________________________________________ Date ________________

Submit to Saint John’s Abbey Arboretum, New Science 104, Saint John’s University, Collegeville, MN 56321 by Monday, October 26, 2015 at noon.
Use the following form to create your bid. It must exceed the minimum bid for the pile. (Note that the pallet logs have a higher minimum price as Saint John’s can sell them commercially.) To avoid “ties” please bid using cents as well as uneven numbers. For example, bid $301.26 for a pile of wood instead of $300.00 to keep your bid unique.
