

YTM Summer Institute Packing List
June 16 – 29, 2013
St. John's University
Summer Institute II

As you pack, remember that you will be participating in the following activities:

Morning:	Theology Course
Afternoon:	Service/Leadership Reflection & Presentation
Free time:	Swimming, volleyball, basketball, canoeing, etc...
Evening:	Prayer experiences, movies, dance...
Other:	No-Talent Show, Vocations Banquet & Closing Banquet/Eucharist

Summer II Track Supplies: I would encourage you to bring art supplies/musical instruments/drama props to help you complete a creative project that engages Summer II YTM campers in Catholic Social Teaching. See the description from the USCCB Campaign for Human Development Multi-Media Youth Arts Contest (<http://www.usccb.org/cchd/youth.shtml>). Pack those supplies that could help you develop something for this project. (For example, if you think you might want to write a song, bring a guitar; if you think you might want to do a painting, bring paints). We will have a limited amount of supplies, including a piano/keyboard, so if you have special media with which you like to work, then bring them to YTM with you.

Homework: Read *We Belong to the Land* and have most of your presentation completed on your service-justice project.

Here is the packing list: (There are free laundry machines in the dorms)
