

Global Language Placement Exam Instructions

Important information: The placement exam is a tool used to help determine where your high school level of language corresponds to the course levels at CSB/SJU. The exam is not a means to "test out" of the global language proficiency requirement, nor do you receive credit for your score or placement. Therefore, to avoid skewing your proper placement, we strongly advise you not to use study materials while taking the exam.

For Spanish placement exam:

<https://www.csbsju.edu/hispanic-studies/studentresources/spanish-placement-exam-instructions>

For French and German placement exams:

<https://www.csbsju.edu/languages-and-cultures/student-resources/french-and-german-placement-exams>

You will be asked to create an account in order to log in to take the exam.

Your placement score and course level will be displayed after you finish the exam. You can always check your placement any time by logging back into the exam.

How To Find Language Placement Test Scores

Step 1: Log into [Banner Self Service](#).

Step 2: Click "Student Records".

Step 3: Click "View Results" and you should be able to find your test scores for your language placement test on this page.
