

July 29, 2021

Greetings from the Office of Academic Advising. We are happy to announce completion of first semester schedules for the first-year class at College of St. Benedict/St. John's University (CSB/SJU)!

If you previously viewed your schedule, be sure to look again as there may have been recent changes. Instructions for accessing your schedule are included below.

It is each student's responsibility to thoroughly review the links under "Fall 2021 Registration" on the [Academic Advising website](#):

- Explanation of schedule
- Frequently Asked Questions
- Sample schedules by major and pre-professional program
- Language placement exams for French, German, and Spanish
- AP and IB policies

A note about AP: Not all scores have been received at this time. Confirm that we will receive your scores by reviewing the recipient schools on your score report. We will continue to update schedules with any additionally earned credits as we receive scores. The AP policy will help you determine what credit you may receive.

Your schedule was carefully constructed to reflect your intended major, pre-professional interests, language placement, and academic background. In some cases, curricular requirements necessitate enrollment in specific courses. For instance, stated interest in a **pre-professional program** (pre-medicine, pre-physical therapy, etc.) results in registration for the recommended first-semester courses in that program.

Instructions for viewing your schedule online:
