Your withholding is subject to review by the IRS.

Step 1: Enter Personal Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .

(c) <input type="checkbox"/> Single or Married filing separately		
<input type="checkbox"/> Married filing jointly or Qualifying surviving spouse

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, other details, and privacy.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Reserved for future use.
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

TIP: If you have self-employment income, see page 2.

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$ _____		
	Multiply the number of other dependents by \$500 \$ _____		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$ _____

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$27,700 if you're married filing jointly or a qualifying surviving spouse; \$20,800 if you're head of household; \$13,850 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

If you expect to owe more income tax for the year than will be withheld, you can claim fewer allowances or request additional Minnesota withholding from your wages. Enter the amount of additional Minnesota income tax you want withheld on line 2 of Section 1.

Nonwage Income

Consider making estimated payments if you have a large amount of “nonwage income.” Nonwage income (other than tax-exempt income) includes interest, dividends, net rental income, unemployment compensation, gambling winnings, prizes and awards, hobby income, capital gains, royalties, and partnership income.

Two Earners or Multiple Jobs

If your spouse works or you have more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4MN. Usually, your withholding will be more accurate when all allowances are claimed on the Form W-4MN for the highest paying job and zero allowances are claimed on the others.

Head of Household Filing Status

You may claim Head of Household as your filing status if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependents. Enter “1” on Step E if you may claim Head of Household as your filing status on your tax return.

What if I itemize deductions on my Minnesota return or have other nonwage income?

Use the Itemized Deductions and Additional Income Worksheet to find your Minnesota withholding allowances. Complete Section 1 on page 1, then follow the steps in the worksheet on the next page to find additional allowances.

Itemized Deductions and Additional Income Worksheet

- 1 Enter an estimate of your 2023 Minnesota itemized deductions. For 2023, you may have to reduce your itemized deductions if your income is over \$220,650 (\$110,325 for Married Filing Separately).....
- 2 Enter one of the following based on your filing status:
 - a. \$27,650 if Married Filing Jointly
 - b. \$20,800 if Head of Household
 - c. \$13,825 if Single or Married Filing Separately
- 3 Subtract step 2 from step 1. If zero or less, enter 0
- 4 Enter an estimate of your 2023 additional standard deduction (from page 11 of the Form M1 instructions).....
- 5 Add steps 3 and 4
- 6 Enter an estimate of your 2023 taxable nonwage income
- 7 Subtract step 6 from step 5. If zero, enter 0. If less than zero, enter the amount in parentheses.....
- 8 Divide the amount on step 7 by \$4,800. If a negative amount, enter in parentheses. Do not include fractions
- 9 Enter the number on step F of Section 1 on page 1
- 10 Add step 8 and 9 and enter the total here. If zero or less, enter 0. Enter this amount on line 1 of page 1.

Section 2 — Minnesota Exemption

Your employer will not withhold Minnesota taxes from your pay if you are exempt from Minnesota withholding. You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return
- Your annual income exceeds \$1,100
- Your annual income includes more than \$350 of unearned income

Box A

Check box A of Section 2 to claim exempt if all of these apply:

- You meet the requirements to be exempt from federal withholding
- You had no Minnesota income tax liability in the prior year and received a full refund of Minnesota tax withheld
- You expect to have no Minnesota income tax liability for the current year

Box B

Check box B of Section 2 if you are not claiming exempt from federal withholding, but meet the second and third requirements for box A.

Box C

Check box C in Section 2 to claim exempt if all of these apply:

- You are the spouse of a military member assigned to duty in Minnesota
- You and your spouse are domiciled in another state
- You are in Minnesota solely to be with your active duty military spouse member

Boxes D-F

If you receive income from the following sources, it is exempt from Minnesota withholding. Your employer will not withhold Minnesota tax from that income when you check the appropriate box in Section 2.

- **Box D:** You receive wages as a member of an American Indian tribe living and working on the reservation of which you are an enrolled member. Enter the name of your reservation and your Certificate of Degree of Indian or Alaskan Blood (CDIB) number/enrollment number. **Members of the Minnesota Chippewa Tribe** can exclude income regardless of which Minnesota Chippewa Tribe reservation you live and work on. This affects members of these tribes:
 - Mille Lacs
 - Nett Lake (Bois Forte)
 - Fond du Lac
 - Leech Lake
 - White Earth
 - Grand Portage
- **Box E:** You receive wages for Minnesota National Guard (MNG) pay or for active duty U.S. military pay. MNG and active duty U.S. military members can claim exempt from Minnesota withholding on these wages, even if they are taxable federally. For more information, see Income Tax Fact Sheet 5, *Military Personnel*.
- **Box F:** You receive a military pension or other military retirement pay calculated under U.S. Code title 10, sections 1401 through 1414, 1447 through 1455, and 12733. You may claim exempt from Minnesota withholding on this income even if it is taxable federally.

Note: You may not want to claim exempt if you (or your spouse if filing a joint return) expect to have other forms of income subject to Minnesota tax and you want to avoid owing tax at the end of the year.

If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year.

Nonresident Alien

If you are a nonresident alien for federal tax purposes, do not complete Section 2. See IRS Publication 519, *U.S. Tax Guide for Aliens*.

Form W-4MN Employer Instructions

Form W-4MN Requirement

Federal Form W-4 will not determine withholding allowances used to determine the amount of Minnesota withholding. Employees completing a 2023 Form W-4 will need to complete 2023 Form W-4MN to determine the appropriate amount of Minnesota withholding.

Lock-In Letters

IRS Letter 2800C tells you when the IRS believes your employee may have filed an incorrect federal Form W-4. If you receive this letter, you must provide the Minnesota Department of Revenue with a copy of the employee's Form W-4MN. We will verify the number of allowances that the employee may claim for Minnesota purposes. Continue using the Form W-4MN you were using at the time you received Letter 2800C from the IRS, until we notify you to change the amount of allowances on the employee's Form W-4MN. If the employee has not completed a Form W-4MN, have them complete the form and use the allowances calculated on that form until notified by the department.

Use the amount on line 1 of page 1 for calculating the withholding tax for your employees.

When does an employee complete Form W-4MN?

Employees complete Form W-4MN no later than when they begin employment or when their personal or financial situation changes.

How should I determine Minnesota withholding for an employee that does not complete Form W-4MN?

If an employee does not complete Form W-4MN and they have a federal Form W-4 (from 2019 or prior years) on file, use the allowances on their federal Form W-4. Otherwise, withhold Minnesota tax as if the employee is single with zero withholding allowances.

What if my employee claims to be exempt from Minnesota withholding?

If your employee claims exempt from Minnesota withholding, they must complete Section 2 of Form W-4MN. They must provide you with a new Form W-4MN by February 15 of each year. If you are paying an employee for wages that are exempt from withholding, such as Medicaid Waiver Payments or wages to H-2A visa workers, do not send us Form W-4MN.

When do I need to submit copies of a Form W-4MN to the department?

You must send copies of Form W-4MN to us if any of these apply:

- The employee claims more than 10 Minnesota withholding allowances
- The employee checked box A or B under Section 2, and you reasonably expect the employee's wages to exceed \$200 per week
- You believe the employee is not entitled to the number of allowances claimed

You do not need to submit Form W-4MN to us if the employee is asking to have additional Minnesota withholding deducted from their pay.

We may assess a \$50 penalty for each Form W-4MN you do not file with us when required.

Mail Forms W-4MN to:

Minnesota Department of Revenue
Mail Station 6501
600 N. Robert St.
St. Paul, MN 55146-6501

What if my employee is a resident of a state that has a reciprocity agreement with Minnesota?

Your employee must complete Form MWR, Reciprocity Exemption/Affidavit of Residency if both of these apply:

- They are a resident of North Dakota or Michigan, and
- They do not want you to withhold Minnesota tax from their wages

Your employee must complete a Form MWR by February 28 of each year, or within 30 days after they begin working or change their permanent residence. See Withholding Fact Sheet 20, *Reciprocity - Employee Withholding*, for more information.

What is an invalid Form W-4MN?

A Form W-4MN is considered invalid if any of these apply:

- There is any unauthorized change or addition to the form, including any change to the language certifying the form is correct
- The employee indicates in any way the form is false by the date they provide you with the form
- The form is incomplete or lacks the necessary signatures
- Both Section 1 and Section 2 were completed
- The employer information is incomplete

What if I receive an invalid form?

Do not use the invalid form to calculate Minnesota income tax withholding. Have the employee complete and submit a new Form W-4MN. If the employee does not give you a valid form, and you have an earlier Form W-4MN from them, use the earlier form to calculate their withholding.

If a valid Form W-4MN is not completed by the employee, withhold taxes as if the employee is single and claiming zero withholding allowances.

What if my employee is a nonresident alien of the United States?

If the wages to this employee are subject to income tax withholding, you will use Table 1 and the procedure under **Withholding Adjustment for Nonresident Alien Employees** in IRS Publication 15-T to determine the correct Minnesota withholding tax. Do not use this procedure for nonresident alien students from India and business apprentices from India. Also do not use this procedure for certain nonresident aliens who are residents of South Korea. See IRS Notice 1392 for special instructions and withholding exceptions.
