

ABSENTEE VOTING INFORMATION

An absentee ballot is a vote cast by someone who is unable or unwilling to attend the official polling station to which the voter is normally allocated. Methods include voting at a different location, postal voting, proxy voting and online voting.

- College students are able to decide where they want to register to vote. Many college students choose to vote as residents of the community where the college is located.
- Other students may choose to vote with an absentee ballot using their home address as their residence.

How do I know what option is best for me?
