

# DO I NEED TO UPDATE MY REGISTRATION?

**If you have registered to vote previously and are now living at a new address, including a new college housing assignment, you will need to update your voter registration.**

## **New First Year Students**

You may have registered at home as part of a school experience or when you received or renewed your driver's license.

## **Returning Students**

Your residency at CSB and SJU has likely changed since the last time you registered to vote. You will need to register again and update your voter address information.
